

Hampton High School Thespian Conference

**February 9, 10,
& 11**

Columbus St University

Dear Thespian Society Members and Parents,

This letter is to provide you with information concerning Georgia Thespian Conference. This conference is an annual event that is held each February in Columbus, GA. The conference offers many wonderful opportunities to student actors by providing master classes in acting, dance, and technical theatre presented by professionals from New York and across the country. Students get a chance to perform in front of professionals for comments, talk with colleges and universities from across the country, audition for scholarship, compete in playwriting contests, improvisation team events, showcase free-style performances, and much more in a setting surrounding by theatre kids from other Georgia high schools.

- Join us on the Columbus St campus for the GA Thespian Conference, open to all registered thespian society members.**
- Grow your knowledge with interactive workshops on every aspect of theatre — onstage, backstage, and front-of-house.**
 - Experience performances of all kinds: read-throughs and improv, student works and Shakespeare, one-acts and full-scale main stage productions.**
 - Showcase your talents through college auditions, tech challenge and the Thespy® Awards.**
 - Build your theatre family — you'll meet thousands of Thespians and theatre educators and form lifelong friendships.**

This year's conference is being held on February 9-11, 2023. Chaperones Will be driving the Students to the conference. We will meet at Hampton High School at 9am on February 9th and return on Saturday, Feb 11th at around 5pm.
